## Our Vision

We envision leading and inspiring the premium sector of the tile industry with our inventive approach and revolutionary products. We are inclined to become the pioneer of the premium tile segment with being the first choice of consumers, builders, architects, and a leading example for the tile industry.

We are facilitated with High Resolution Digital Technology from Italy.

Our manufacturing plant is furnished with an in-house township.

## Our Mission

Our mission is to add iconic value to distinguished spaces through our revolutionary products. Our ambition is to accentuate every premium space with our innovative surfaces. Adicon is also dedicated to developing sustainable products that contribute to a better environment and tomorrow.

Our unmatched quality is the result of in-house research and test lab conducting enhanced quality checks.

We have an advanced assembly of robotics automated product handling.

**A firm essence over  
the ages with a clear goal  
throughout: creating the  
best porcelain product  
at the service of our  
imagination.**

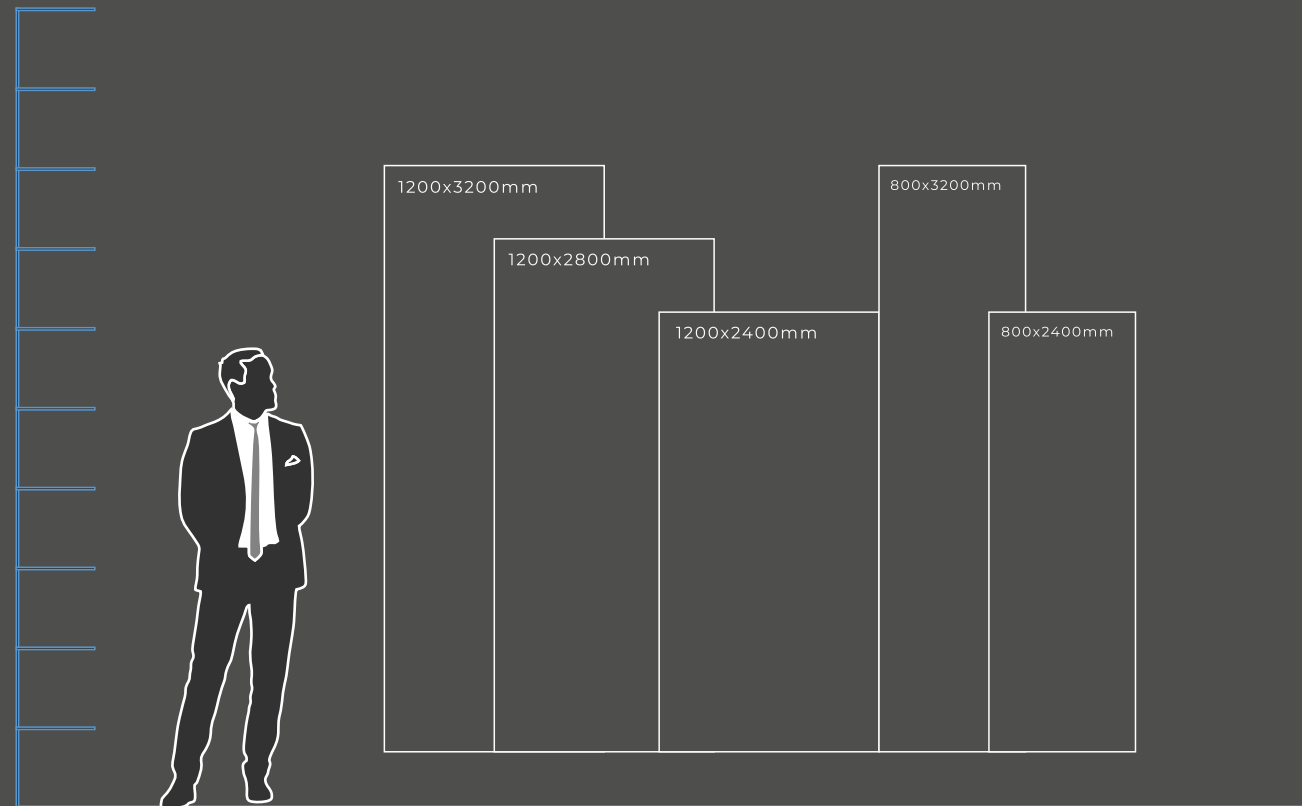

GRACIAS Tiles is a leading name in the ceramic industry, transforming business with Technology to create a brand that focuses on growth through innovation. As a leading house in the ceramic industry we work with a passion to create double-edged products that serve more than functionality with design.

Our state-of-the-art unit is all set to conquer the global market with its superior technology and unparalleled product quality and sizes that bring your imagination to life and allow you to create magnificent spaces second to none.

# THE COLLECTION ABSOLUTE COLOR IMMENSE THICKNESS

Every space is different and so is the vision for their embellishment. Now is the time to add versatility and vividness to your surfaces and imprint them with your style of creativity. Spaces tell stories of celebration, togetherness, joy and so more. With varied size options, you have the freedom to play with your ideas and make them alive in your desired space. The collection offering multiple size variants is a visual feast of colors and delightful designs to make your ambiance alluring and inviting.

The colossal surfaces of the Arch Rock Collection are synonymous with luxury, radiance, and upscale living to design your spaces class-apart and truly matchless. These surfaces are specially designed to give your spaces the essence of grandeur and eliteness paired with unprecedented features, functionality, versatility, and elegance.

We believe in living life king size and with this belief, we offer grand-sized surfaces to create larger-than-life spaces that deliver a sense of surreality and luxury.
